### **Planning Department announces the launch of the Waimea 400 Master Plan website and survey**

LĪHU'E – The County of Kaua'i Planning Department has launched a website for the Waimea 400 Master Plan and encourages the public to take the online survey in anticipation of the community planning process which will begin during the Spring of this year.

The Waimea 400 Master Plan refers to the 417-acre parcel on the mauka side of Kaumuali'i Highway, between Waimea and Kekaha, which the County of Kaua'i purchased in 2018.

In anticipation of this master plan process, the county has launched a project website and survey at [www.waimea400.com](http://www.waimea400.com). Community members, especially those who live and work in the West Kaua'i region, are encouraged to participate in the online survey to indicate their preferences for park and recreational amenities and housing.

Comments can also be dropped off at businesses around West Kaua'i, including: Waimea Big Save, Umi's Store, Da No Booze Shop, Ishihara Market, Waimea Subway, Kekaha Thrifty Mini Mart, Salt Pond Country Store, and 'Ele'ele Big Save.

The Waimea 400 Master Plan process is being facilitated by PBR Hawai'i and the county Planning Department. Community meetings are expected to start at the beginning of March, offering both virtual and in-person platforms to participate in the site design process. More information on these meetings will be announced at a later date.

For more information on the Waimea 400 Master Plan, please visit [www.waimea400.com](http://www.waimea400.com) or contact the Planning Department at 241-4050 or by email at [waimea400@gmail.com](mailto:waimea400@gmail.com).

If you need an auxiliary aid/service or other accommodation due to a disability, contact the Planning Department Long Range Division at 241-4050 or [waimea400@gmail.com](mailto:waimea400@gmail.com) as soon as possible.
